Up to yesterday afternoon the attorney had been compelled to breathe twice during the time he read a complaint in the police court, but yesterday he surpassed his former time for fast reading, and read the entire complaint on one breath of air. Attorney Spittle has developed the art of reading police complaints to an exact science and City Attorney Smith is not in his class, when it comes to reading these documents in record time.

TO HELP THE HELPERS.

Notable Department in Organic Work in Behalf of Children.

On Friday the 27 day of April there was organized in this city an advisory board of the Boy's and Girls' Aid Society, of Oregon, for Clatsop county consisting of the following members.
Dr. A. A. Finch, president
Mrs. F. Barker, secretary and treasurer

Judge C. J. Trenchard.
Mrs. C. A. Gearhart.
Miss E. C. Warren.

This board will pass on all applications from Clatsop county for the admission of children. It will keep in touch with children placed in homes, and will report cases of abuse, neglect or other forms of delinquency which may come to the notice of its members. But it will in no wise interfere with the rights and duties of the County Judge.

Since 1900 the Boys' and Girls' Aid Society has received from this county thirty-three (33) children. At present there are only two wards of the society in the county.

The society is not a state institution, but a charitable, non-sectarian, organization, duly incorporated under the laws of Oregon, and having for its object the saving of homeless, neglected, or abused children of the entire state. Since its organization, twenty-one years ago, nearly 3,000 such children were received. The report for the last year shows 408 received and 407 disposed of.

The yearly expenses are now about \$10,000 of which \$4,000 is paid by the state, the remaining \$6,000 by donations membership fees, contributions from Clackamas, Wasco, Yamhill, Multnomah, Linn and Benton counties, and Thanksgivings donations from public schools, consisting of cash, clothing books fruit vegetables, etc.

The Clatsop county board consists of representative men and women, and the homeless and abused children will receive proper care and attention, and it is hoped that many new homes will be found in the future.

It has caused more laughs and dried more tears, wiped away disease and driven away more fears than any other medicine in the world, Hollister's Rocky Mountain Tea. 35 cents, Tea or Tablets Sold by Frank Hart.

THE NIMBLE COIN.

The nimble coin of the country never does so good a thing as when it supplies a man with a well-cooked and healthful meal of the sort he is hungry for. In this instance is becomes a blessing, and no pocketbook is the poorer for the expenditure; this is why everyone you see coming out of the Palace Restaurant carries such a grateful and satisfied expression of countenance. Just watch for a day or so, and the first thing you know you'll be a steady customer there. It is one of the certainties of Astoria life.
